**Commodity Specification for
DICED CHICKEN
Dated April 2005**

Amendment No. 1

This amendment revises the requirements for the written quality control program.

1. Page 1, section I.B. Add the following at the end of the paragraph:

“The written quality control program must be approved by the Contracting Officer on an annual basis. Additionally, if product is rejected by the USDA due to bone defects, or if a complaint is received from a recipient, the contractor/processor must submit a revision of the quality control program addressing the corrective action taken. This ‘Corrective Action Plan’ must be approved by the Contracting Officer.”

EFFECTIVE DATE: This amendment is effective with offers due by 12 noon, Central Time, May 15, and on all subsequent offers.

All other terms and conditions of the Commodity Specification for Diced Chicken dated April 2005 remain unchanged.
